ABOUT US

"ENSURING BASIC NEEDS THROUGH POSITIVE DEEDS ."

Helping Hut NGO was started with a vibrant vision to create a beggar-free India and ensure every needy person gets the right to live. Its mission is to provide employment opportunities to as many beggars as it can and education for the underprivileged. Starting as a drop of help in the ocean of problems people face in their lives, Helping Hut NGO aims to cater to all those in need. Feeding the starving, bringing a small ray of happiness by doing small things actually does not need a million dollars, and with a little love, little care, and a little change to our lifestyles, we as people can create an impact on someone's life.

OUR AIM

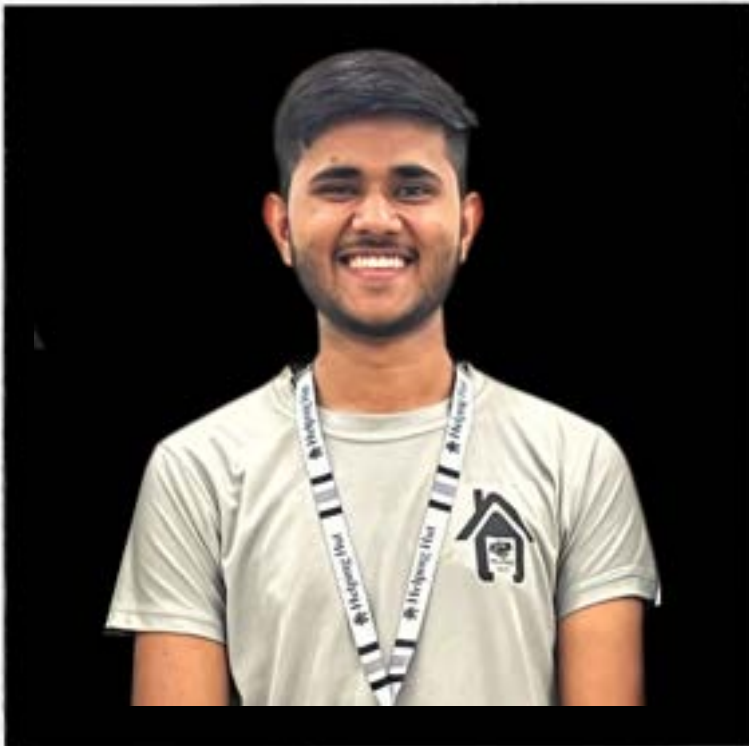

-EDUCATION FOR EVERYONE

Money should not be a reason for poor kids being illiterate. We provide free education to poor children living in rural and urban areas.

-TO PUT AN END TO BEGGARY

Beggary is not an option for livelihood. We want to provide beggars with work that is both suitable for them and beneath their ability.

FOUNDER'S MESSAGE

**Raghvendra Pratap
Singh**

Founder and President

It is said that if the intentions are noble, the work never stops. With such noble intentions, I started this organisation with a few of my friends two years ago.

Keeping one's morale high even in the face of different difficulties is not an easy task for a student. I have made many changes in my life through this organization.

Even today, I remember the things that people told me when I started this organization. "Start earning yourself first", "Time will be wasted", "Nothing will happen by doing all this", "You are not old enough for this." And all I heard from them today was praise.

Whatever the circumstances, the spirit should not be reduced. With this spirit, I hope to work for this organisation till I take my last breath and take it to new heights.

मैं अकेला ही चला था जानिब-ए-मंज़िल मगर
लोग साथ आते गए और कारवाँ बनता गया

-मजरूह सुल्तानपुरी

Prerna Raj (Secretary)

Mohit Nagar (Treasurer)

Message From Governing Bodies

I believe the greatest pride in helping others is when you get involved in every step of the process, and over the last two years, I have seen and experienced it all.

Helping Hut is not just an NGO where we help people in need; we are trying to make the street children aware of education and provide them with all the facilities so that they don't resort to begging for all their lives.

After completing two years with the organization, I have become a strong believer in teamwork. The kind of motivation, consistency, and discipline that you need comes only from the team. I am looking forward to contributing much more and having a more positive impact on society through all that we can do as a team.

Helping people in need is my kind of hobby. That's why I supported my friend to start this organization. I have been associated with Helping Hut NGO since day one. In the last two years, I have gained a lot of work experience as a treasurer in this organization, and almost every day I have learnt something new and creative by interacting with new people. My overall journey and experience with Helping Hut has been amazing.

Asha Yadav (Trustee)

**Shubham Agarwal
(Trustee)**

It feels great working with Helping Hut NGO. There is a different kind of relief. When everyone works together as a team, nothing seems impossible and everything goes smoothly. When we do any work together, everyone's energy level also increases. So it's been a great experience to work with Helping Hut.

Our NGO has completed two years of service dedicated to others. We have all been through the COVID pandemic, which was very brutal for us, but I thank God for giving me a chance to be a member of this NGO. The focal point of this NGO is Udaan Street School, an initiative to give education to those children who long for it but, due to some conditions, will not be able to afford it. The great joy we give while teaching those children is memorable. My experience is awesome and I hope this goes on and on.

Message From Core Team

RAJNI CHAHAL (HR)

I am Rajni, and I have been volunteering here for quite some time now. I am a housewife and wanted to get involved in some social work when I finally got to know about Helping Hut. I am happy to be a part of this NGO because we do not just say but work to help not just humankind but also animals and the environment. I would be a part of it and encourage others as well to join Helping Hut and do their bit towards making India a better place.

PRINCY SAXENA (Content team coordinator)

I have been working with this organisation for the past year. When I think about the journey so far, it's been nothing less than a blessing. Working with Helping Hut NGO has taught me to think about society first and myself later. In a way, volunteering has not only taught me about the various challenges in society, but it has helped me to be a better version of myself. I'm indeed lucky to have chosen to volunteer. Thanks to Helping Hut NGO for this wonderful experience of the joy of giving.

SAKSHI KUMARI (Social Media coordinator)

I have been a part of the Helping Hut from the very beginning. I met a lot of people with the same goal as me. This organisation is big on teamwork. It would bring me great joy if I could be of assistance to those in need. We have been through our share of ups and downs, working out new ideas and new challenges every day. I don't think I would have gotten a better opportunity to help the needy. I will always be grateful for the opportunity to be a part of this NGO.

SURVI TIWARI (Social media sub-coordinator)

I was living just a normal life, not doing any productive things, and then for my personality development, I joined this NGO, Helping Hut NGO, but from my journey till now, I don't know about my personality growth, but yes, it makes me happy to see the children with the big genuine smile on their faces when they get something, and that encourages me to continue to serve them, and I'm thankful to the NGO for allowing me to volunteer with them.

TAHSEEN KAINAT (Graphics team coordinator)

I'm very thankful to the Helping Hut for all the work you do for the social cause and for all those who are very much in need and also underprivileged. Working with HELPING HUT NGO is a once-in-a-lifetime opportunity. It enables my inner talent and provides enough exposure to enhance my skills. If you're hunting for real satisfaction in life, then I would suggest you be part of this NGO. Not only do you help people, but you also learn a lot through this experience, and that experience is helpful throughout life.

HARSHITA VISHWAKARMA (Management team coordinator)

I feel happy and honoured to be a part of the Helping Hut NGO. I have realised happiness can be found in the smallest things, and life has been better ever since. As a volunteer, we meet people from different sections and children, especially when we interact and get to know their wishes and problems. The highlight happens when a wish is fulfilled, and their eyes sparkle. Thanks to Helping Hut NGO for giving me this learning experience and the opportunity to make a positive impact on our society.

**PRERONA
JANA** (Internship
Head)

When I think back on my time with Helping Hut NGO, it has been nothing less than a privilege. Sometimes we wish to help the poor, but we realise we don't have enough resources or don't know how to aid them effectively. I know deep down that I am finally doing something worthwhile, something that provides smiles to those who are truly in need. Since joining, I've had the opportunity to meet with and work with people from various backgrounds and ages, which has taught me a lot and will be useful throughout my life.

HIMANSHI (Special day
celebration
coordinator)

I came to know about Helping Hut Ngo through one of my friends. The time I spent teaching the children has brought me closer to them. By seeing their condition sometimes, I forget a lot of my problems around them. There are many bright minds out there that are not able to pursue their education because of financial constraints. They don't even know the value of education in today's world. I'll try my best to help every child so that he or she can achieve his or her dream.

**KAJAL
GAHLOT** (Udaan-
Street school
coordinator)

I am privileged to be a member of Helping Hut. This NGO influenced my attitude toward those who are marginalised in society. These children suffer because of the poverty-stricken population's illiteracy. Education is the only gift people can use to make a better future for themselves. Helping Hut allows me to play a small part in their lives, which brings me great joy. The right way to help society is by giving our bit through platforms like Helping Hut.

SHIVANGI SINGH (Video editing coordinator)

SALONI CHAHAL (Team Delhi coordinator)

AJAY PRATAP SINGH DHAKAD (Team Gwalior Coordinator)

I've always wanted to help the less fortunate, but I've never had the motivation to do it alone. So I found out about The Helping Hut and decided to volunteer there. After completing the work with the team, I am overjoyed and delighted to be a part of such a wonderful organization. Our helping hut family is doing a fantastic job on its own and attempting to be the change.

It has been more than a year since I joined Helping Hut NGO as a volunteer, and I am glad I did. The honesty our team carries to help others is just unmatched. Despite being in college, we still manage our time and make all possible efforts to help. I have had a great time being a part of the NGO and will continue to serve people through this platform.

I'm grateful to Helping Hut NGO for providing me with the opportunity to do some good work for the needy, which I had wanted to do for a long time but couldn't because of a lack of team and resources. Nobody forces you in the organisation to do tasks or even fund donations. One of my experiences: When we give stationary and refreshment stuff to children in Mela Ground Gwalior, the smiles on their faces give us so much satisfaction. It's a pleasure to be a part of Helping HUT NGO and do more work.

उड़ान STREET SCHOOL

Every child should have the opportunity to receive a quality education.

"Education is for improving the lives of others and for leaving your community and world better than you found it." With this in mind, Helping Hut launched "उड़ान - Street School" a few months ago, and are already teaching 250+ underprivileged children, making their lives much better and more fulfilled.

Therefore, we provide free education at Street School.

You can also start providing education to underprivileged children who don't have access to quality education!

Activities under उड़ान - Street School

Parents Teacher meeting

**We have taught over 250 students under
उड़ान - Street School**

TRIP TO NATIONAL MUSEUM

Students of Udaan-Street school along with volunteers went on a trip to the National Museum, Delhi.

TRIP TO THE LOST WORLD (Vegas Mall)

Students of Udaan-Street school went to Vegas Mall, Dwarka ,Delhi and colored face masks of various animals under the theme "The lost world."

JULY 1, 2021

FIRST ANNIVERSARY CELEBRATION

It was one of the most precious days for all the members of Helping Hut NGO.

The day was celebrated with the underprivileged kids by cutting cake with them. Refreshments were also distributed in slum areas of Mandsaur, M.P., during the day.

Due to COVID, the annual magazine of the organisation was released on Google Meet during the virtual celebration in the evening, where all the volunteers serving in the organisation joined us.

A few volunteers were also recognised for their extraordinary contributions to the organization.

DECEMBER 25,
2021

CHARITY CARNIVAL

On Christmas day, team Dwarka organised a charity carnival where the funds collected from the carnival were used to provide the basic educational necessities for students of Udaan Street School. The carnival had various games like light the candle, coin in the bucket, aim the target, and food stalls. Even students from various other colleges of DU became part of the charity carnival. The students of Udaan Street School were also invited to the carnival and various gifts worth more than 50K were gifted to them as well. The smiles on the faces of those small children lit up the carnival with positive energy.

AUGUST 15, 2021

INDEPENDENCE DAY CELEBRATION

*"Freedom is never dear at any price.
It is the breath of life. What would a
man not pay for living "*

– Mahatma Gandhi

We celebrated Independence Day with underprivileged children by educating them about our nation's history, teaching them about the importance of freedom, and what freedom really means. Snacks and stationery items were also distributed to underprivileged children.

A drawing competition was also organised for the children where they could show their creativity.

OCTOBER 2, 2022

GANDHI JAYANTI CELEBRATION

"Cleanliness is a mindset-a positive habit that keeps the body, mind, and the environment happy, simple, neat and delightful."

- Amit Ray

On account of the Gandhi Jayanti, Team Gwalior organised a cleanliness equipment distribution and awareness drive in slum areas of the city. Through the drive, we spread awareness regarding the importance of cleanliness and provided essential sanitary supplies to the needy. The cleaning equipment included brooms, mops, dustbins, gloves, etc.

NOVEMBER 14, 2021

CHILDREN'S DAY CELEBRATION

"It's not our job to toughen our children up to face a cruel and heartless world. It's our job to raise children who will make the world a little less cruel and heartless."

– L R Knost

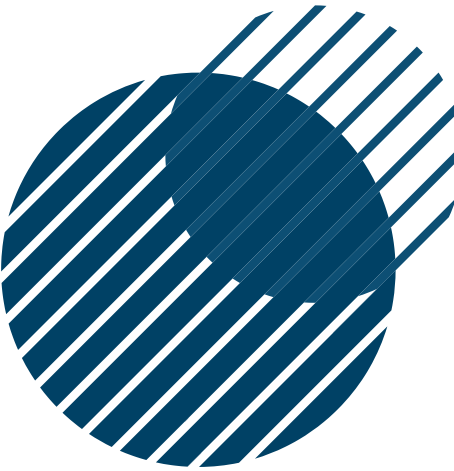

We celebrated Children's Day with the students of Udaan Street School by educating them on the importance of the day and why it is observed.

The volunteers, along with the children, played various games to make the day even more memorable, like kabbadi and hide and seek, to name a few, and at the end, refreshments, along with gifts, were provided to the students.

SPECIAL DAY CELEBRATION

The volunteers came up with the idea of celebrating special days for people, be it birthdays, anniversaries, or any special occasion close to their hearts. The day is celebrated by cutting cakes and distributing sweets with the little angels of Udaan Street School. These celebrations are not limited to volunteers only; anyone who wants to share their happiness with these young minds can contact us and share part of their happiness with these little angels. It not only brightens the days of these underprivileged children, but also the hearts of our volunteers.

NEW YEAR CELEBRATION

The New Year comes with new hopes, positivity, and a fresh start. We made our new year even more enjoyable by celebrating it with the underprivileged children living in the slums.

Underprivileged children living in slums near Dwarka metro station in Delhi were given sweets, gifts and refreshments.

More than 50 gifts were presented to the children. Seeing the gifts, their faces shone brighter than the sun, and they had a beautiful smile.

MARCH 8, 2022

WOMEN'S DAY CELEBRATION

International Women's Day is a global day for celebrating and celebrating women's achievements.

We often talk about the equality that women get in today's world and how far we have come, but still a large section of women in our society do not have proper access to hygiene during their periods and are still sanitary. They use ashes and dirty clothes instead of pads.

On this Women's Day, Helping Hut, in association with Enactus and DDUC, visited the slums and presented sanitary pads to all the beautiful women who have been the root of the society and made them aware of the importance of using them during menstruation.

FEBRUARY 5, 2022

BASANT PANCHAMI

A painting competition was organised for the children on the occasion of Basant Panchami. The day started with the introduction of the importance of Basant Panchami by Rajni Singhal, a volunteer of Helping Hut, who explained to the children the importance of knowledge and why Basant Panchami is celebrated, and then a drawing competition was organised for them, where children painted beautiful pictures of the Goddess Saraswati. The children enjoyed colouring the sketches provided to them. The winners were announced and presented with gifts. At the end, chocolates and refreshments were distributed to the children.

MARCH 18, 2022

HOLI CELEBRATION

Volunteers of Helping Hut, along with students of Udaan Street School, celebrated Holi in DDA Park Sector-13, near Vegas Mall, Dwarka, Delhi. All the volunteers and children enjoyed the colours and played various games. It was a beautiful experience.

The students also got to know about the fun side of teachers educating them.

Everyone sat together and had refreshments while interacting with each other. This day made everyone's heart smile with joy and happiness.

APRIL 14, 2022

AMBEDKAR JAYANTI CELEBRATION

Ambedkar Jayanti was celebrated with the students of Udaan Street School

Games were also organised for the students, which included treasure hunt and musical chair. In the treasure hunt, 3 teams were formed, each with 4 children, and they were given pointers to find the treasure.

The winners were awarded prizes. Even the volunteers played musical chairs with children to get along.

JUNE 21, 2022

YOGA DAY CELEBRATION

“Yoga means addition addition of energy, strength and beauty to body, mind and soul.”

— Amit Ray

The volunteers celebrated the day with the students of Udaan Street School and performed various yoga postures and meditation in the park with the children. The students were told about the importance of yoga and meditation. Local newspapers also covered this Yoga Day celebration. After the yoga practice, refreshments were also provided to the students and the volunteers.

STATIONERY DISTRIBUTION DRIVE

We organised stationery kit distribution drives in various cities of India like Faridabad, Samastipur, Nangal, Mehta Alwar, Neemrana, Rajasthan, Gwalior, Chandos, and Dwarka. Recently, team Gwalior, along with NSS MITS, distributed stationery kits and refreshments to boost the morale of children and support them in becoming self-reliant. So far, 1500+ stationery kits have been distributed by Helping Hut.

CLEANLINESS DRIVE

In every aspect of life, purity and holiness, cleanliness and refinement, exalt the human condition. Even in the physical realm, cleanliness will conduce to spirituality.

- Abdu'l-Bahá

A cleanliness drive was conducted by team Dwarka at a deserted site nearby where local street vendors used to sell food and was filled with litter. The site was cleaned by the volunteers and then was later successfully converted to teach children under Udaan Street School who begged on red lights near that area.

CLOTHES DISTRIBUTION DRIVE

"Giving back is the right thing to do, whether it's donating clothing or even just a smile to someone who needs it."

- Becky G

The drive was carried out in Sector-10 Dwarka, Pankaj Garden near Qutab Minar metro station, and slums near Iskcon temple in Dwarka. There are many underprivileged people living on the streets, by the roadsides, on footpaths, under bridges, etc. with their bare bodies or torn off clothes. Clothing is one of the basic necessities. This effort of the Helping Hut was an endeavour to bring some rays of hope into the lives of the needy.

FOOD AND RATION DISTRIBUTION DRIVE

Food and ration distribution drives were organised in Dwarka, Delhi, Gwalior, and Rajasthan. In collaboration with Zomato Feed India, TEM Gwalior did an instant food distribution drive at Gwalior railway station on the eve of Dussehra. Food is one of the basic and vital necessities. Silizium, the Electronics Society of DDUC, along with Helping Hut, organised "Anndaan", where raw rations were provided to the needy. Team Dwarka marked the beginning of the new year by distributing refreshment packs to the needy ones. A total of 1000+ food and refreshment packets were distributed.

COLLECTION DRIVE

A collection drive was organized by our team of volunteers where any person could donate anything that could be used by needy people.

Various articles like clothes, shoes, stationary items, etc. were collected from the drive.

Later, the items collected from the drive were distributed to the underprivileged living in slum areas, on roads, streets, etc.

By donating your old shoes, clothes, or stationery, you can give new life to these articles and put happiness on someone's face.

SANITARY PAD DISTRIBUTION AND AWARENESS DRIVE

Menstrual health is often neglected by many women. Only a handful of women are able to buy sanitary pads. So Helping Hut came up with the idea of distributing sanitary pads along with awareness, where pads were distributed to the women living in slums and at the same time they were told about the problems faced during menstruation and its importance. They understood the importance of hygiene and the use of pads, tampons, or menstrual cups for them. This campaign was carried out in different cities—Dwarka, Gwalior, Patna, etc. A total of 1000+ sanitary pads were distributed along with creating awareness among women about how to maintain a healthy menstrual cycle and the consequences of not maintaining it.

ABKI DIWALI SABKI DIWALI CAMPAIGN

It is often said Diwali is a festival of light and happiness, so we thought about sharing this happiness and light of positivity with the underprivileged, as happiness is doubled by sharing.

On Diwali, sweets, chocolates, biscuits, and more than 50 gift packets were distributed to the children living in slums. The happiness on the faces of those children made Diwali even brighter, filled our hearts with content and made our souls smile.

It is really important to give to others if you have enough, not because it will bring happiness to the person receiving the gift, but because it will make you happy and will give you self-satisfaction.

EDUCATION AWARENESS CAMPAIGN

The higher the level of education, the less likely the person is to fall below the poverty line. This is because education imparts skills and knowledge associated with higher wages.

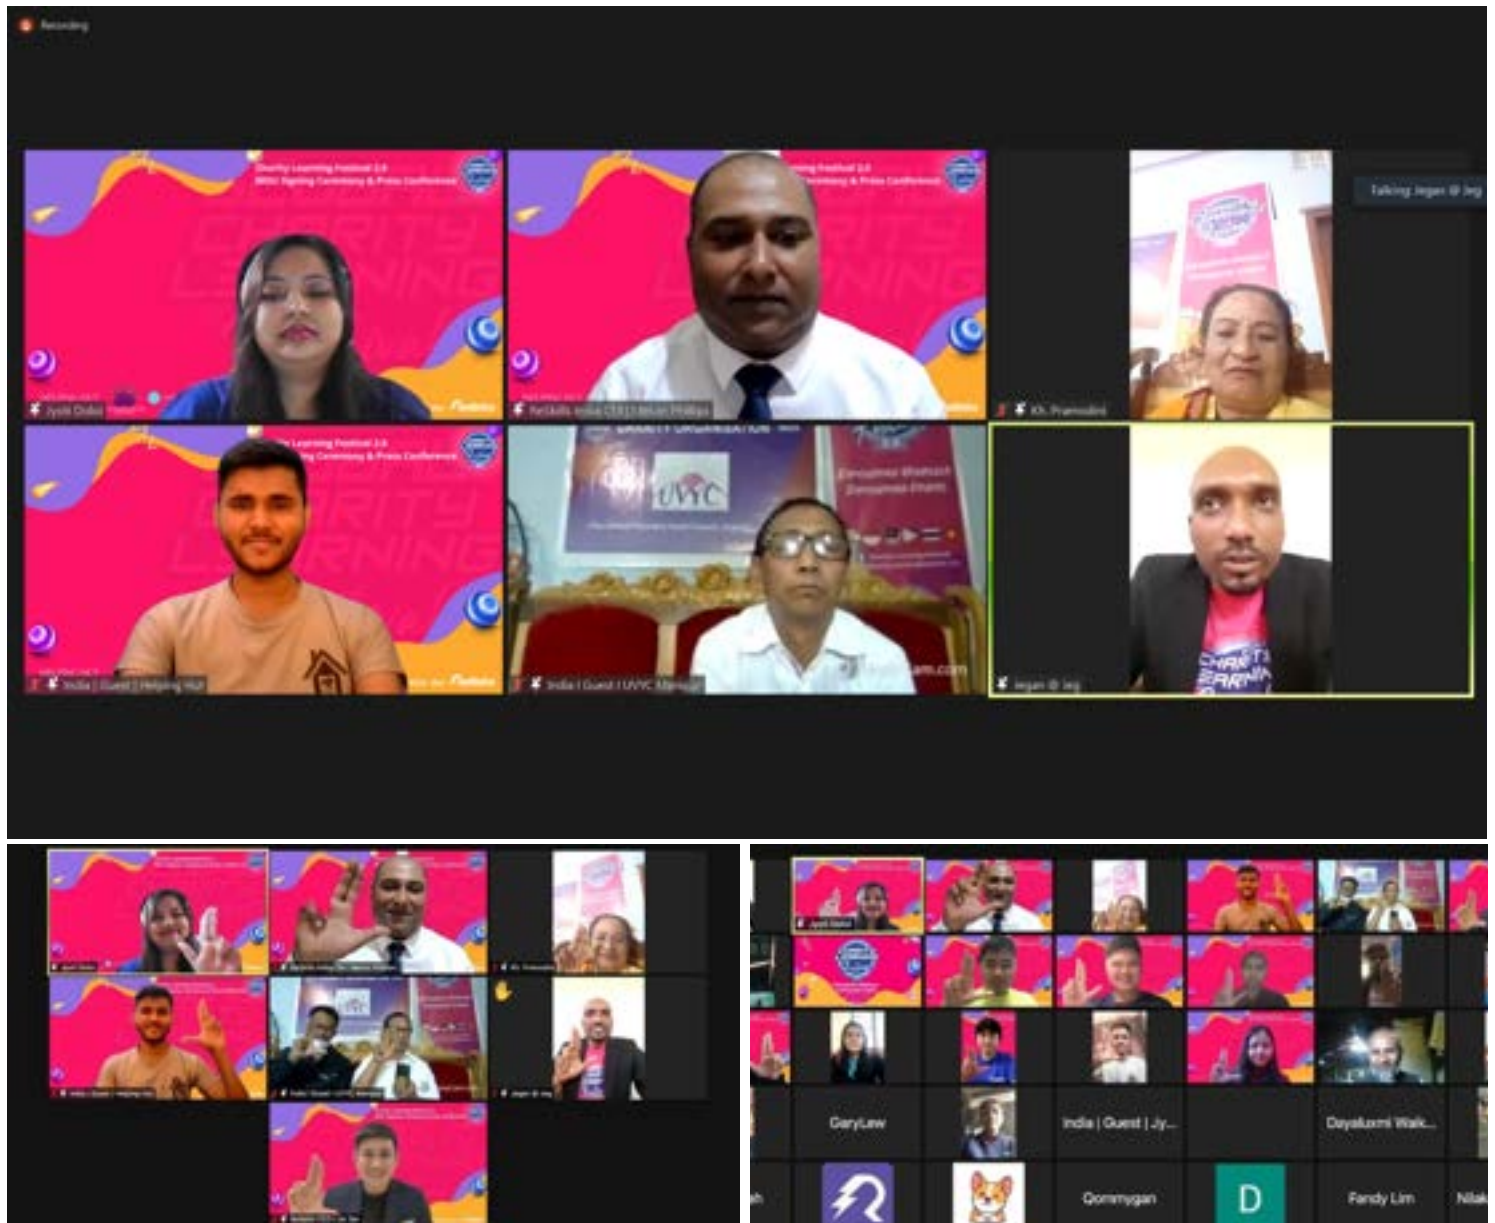

Educating girls in particular makes them more likely to take control of decisions relating to fertility, family welfare, health etc. Our volunteers went down the streets of Dwarka, interacting with those living in slums to make them and other people aware of the importance of education, as education is the best way in which we can contribute towards the nation's growth.

WORLD BLOOD DONOR DAY AWARENESS CAMPAIGN

Blood donation has always been taboo, especially among the uneducated and underprivileged, so awareness regarding blood donation has become very important as it can save someone's life.

An awareness campaign was conducted on World Blood Donor Day in Pragati Park, Dwarka, where the students of Udaan Street School, along with the volunteers, spread awareness of the importance of blood donation. A drawing competition was also organised where the students coloured posters related to blood donation awareness. Then the children and volunteers holding the posters in their hands marched in the park and surrounding areas, spreading awareness of blood donation.

CHARITY LEARNING FESTIVAL

The charity learning festival was powered by reskills with the motto "Empowering Yourself, Empowering Others." Reskills collaborated with NGOs from all over the globe and from India. Three organisations were selected, and Helping Hut was one of them. They promoted an app where one could learn new skills, and for each signup done by people belonging to that country, Reskill provided US \$1 to the particular country's charity organizations that were part of this CLF2.0. They also offered a free 6-month premium learning access to the app for the volunteers of non-government organizations.

HEALTH CHECKUP CAMP

“When health is absent, wisdom cannot reveal itself, art cannot become manifest, strength cannot be exerted, wealth is useless, and reason is powerless.”

– Herophiles

A health checkup camp was organised in Govardhan, Mathura, Uttar Pradesh.

It was done in collaboration with some other organisations in the month of March 2022, when a general health checkup including measurement of blood pressure, body temperature, pulse rate, heart rate, and eyesight checkup was done.

A total of five volunteers from the helping hut were present at the location of the health camp.

Medicines for headaches, fever, vomiting, stomach upsets, etc. were distributed to the people free of cost.

 **Helping Hut**

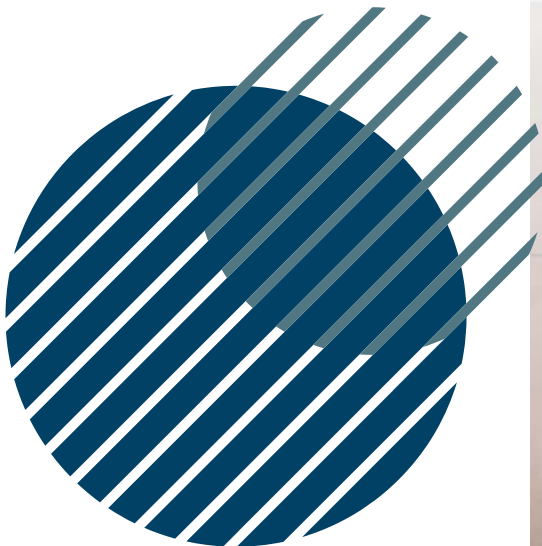

*"We can't help everyone but...
Everyone can help someone."*

Get a normal cardboard box and fill it with daily essentials. Gift it to a beggar and ask them to sell the content in order to make money instead of begging.

Record your self while doing so and share the videos with us at contact@helpinghutngo.in

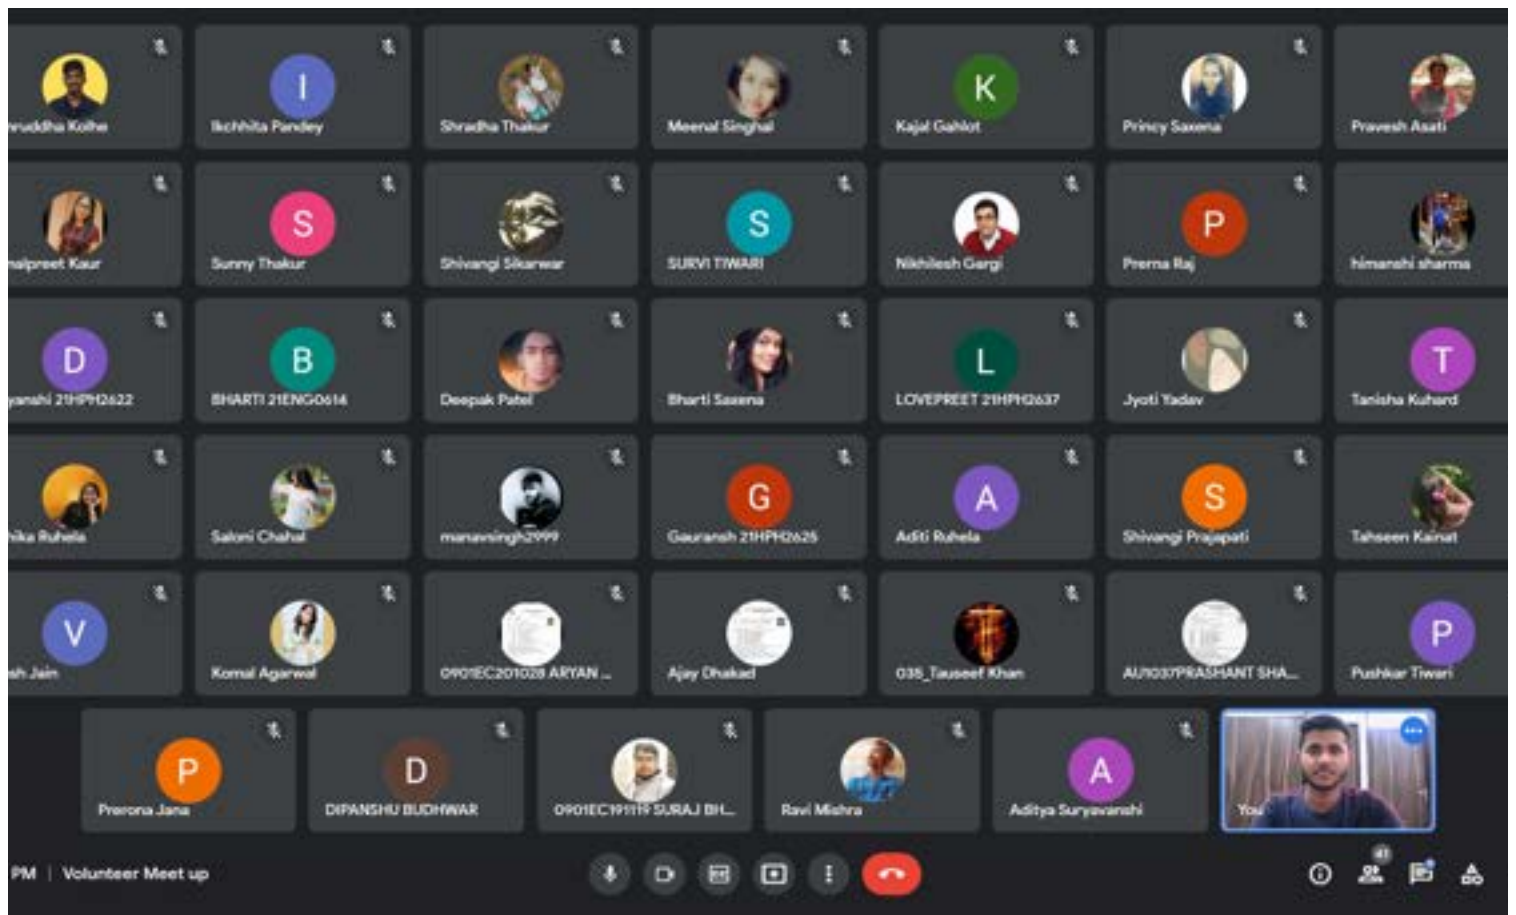

"Cause your Efforts count...."

BEGGAR FREE INDIA AWARENESS CAMPAIGN

We started the Beggar Free India campaign in which we asked our volunteers to gift a box containing items that the beggars could sell off and earn some money out of instead of begging.

We also spread awareness in slums and interacted with various beggars to understand their mentality and how we could help them to stop begging. We encouraged and helped them to start some new work to earn their bread as an alternative to begging.

VOLUNTEER MEETUP

"Team communication is important to master's For a team to function effectively, there must be open channels of communication."

A volunteer meet-up is organised every month at least once to discuss the work done in that particular month and the work we'll be doing in the forthcoming month.

This is an online Google meet-up that is organized so that we can improve the organization as each volunteer attending the meeting gives feedback and ideas related to our mission and ways we can give back to society, and to increase the interaction among volunteers so that they become more comfortable with each other and work together as a close-knit group.

HELPING HUT WITH UNICEF

Anne-Marea Griffin, Senior Director, Global Cause Partnerships at UNICEF USA, reached out to our organisation to share some of UNICEF's work, especially its response to the humanitarian crisis in Afghanistan, and invited us to work together with what UNICEF is doing as a global leader in emergency response, humanitarian relief, and developmental opportunities in Afghanistan.

बच्चों को वितरित की पाठ्य सामग्री

चन्दौसी। हेलिंग हट सामाजिक संगठन की ओर से प्रगति विहार स्थित श्री साई मंदिर में जरूरतमंद बच्चों को पाठ्य सामग्री का वितरण किया गया। संस्था के शुभम अग्रवाल व डा. दीपचंद्र ने बताया कि गुरुवार को साई मंदिर में श्रद्धालुओं का आना-जाना रहता है।

पूर्व सूचना के अनुसार मंदिर परिसर में काफी संख्या में बच्चे मौजूद थे। इन बच्चों को पाठ्य सामग्री के तहत एक रजिस्टर, एक पेंसिल वितरित की गई। लगभग 130 बच्चों को सामग्री बांटी गई। बिना मास्क लगाए बच्चों को मास्क भी वितरित किए गए। इस अवसर पर मुन्नी देवी सक्सेना, रवेन्द्र सक्सेना, चंद्र प्रकाश, हरीश कठेरिया, सुरेंद्र गुप्ता, डा. जयशंकर दुबे, किरण शर्मा, शशिकांत शर्मा, बबिता, प्रीति शर्मा, हिमांशी शर्मा आदि मौजूद रहे। संवाद

VOLUNTEER OF THE MONTH

The organisation currently has 750+ volunteers, but still there are some volunteers who go out of their way to help accomplish the aim and vision we all stand for, i.e., a beggar free India and education for all. To encourage their efforts, the organisation every month rewards volunteers who have done exceptional work with the volunteer of the month title.

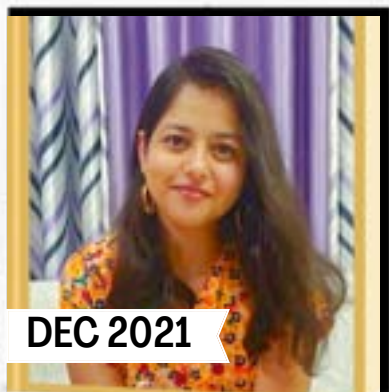

Saloni Chahal

Vidhan Garg

Paras Nath

Shruti Garg

Akshita Singh

LEADER OF THE MONTH

*"A leader is one who knows the way,
goes the way, and shows the way."*

-John C. Maxwell

To encourage such great leaders who have been a part of the organisation and put their heart into the work, Helping Hut felicitates them with the leader of the month title.

HELPING HUT

(NON-GOVERNMENT ORGANISATION)

"Expanding our
Horizons to Better
Serve More."
